The use of technology for student learning is a key 21st century skill to enable all of our students to learn and succeed. Under staff direction, Personal Electronic Devices can be used effectively as an educational resource, support or aid for teaching and learning. The teacher will determine and authorize the usage of a PED during instructional time. At all other times the device is to be powered off and kept in a students' backpack or locker. When the usage of a PED is inappropriate, the school designate or principal will apply progressive discipline strategies. Depending on the infraction, strategies may include, but are not limited to; speaking with the student, parent meeting, removal of the PED until the end of the school day, loss of privilege to have a PED at school or suspension. As with other personal property items, schools are not responsible for lost, stolen or damaged PEDs. These guidelines apply to all stakeholders in the school including students, staff, parents, volunteers and visitors.
