

Messaging to parents of *Grade 7 and 8* students for booking immunization appointments.

School Based Vaccine Immunization Clinics for grade 7 and 8 students are now available in the community!

Visit www.durham.ca/immunizationclinics, to book an appointment for your child.

You will have the option to book an appointment based on a time and location most convenient for you and your family. Site locations and addresses will be noted on the booking site.

- After making an appointment, you will receive a confirmation email.
- 48 hours before your appointment, you will receive a reminder email.

COVID-19 screening will occur on the day of the appointment and consent forms will be onsite to be completed with a nurse.

If you have any trouble accessing the booking site, please call into Immunization Program at 905-666-6242, or Durham Health Connection Line at 905-668-2020 for assistance.

Messaging to parents of *Grade 9* students for booking Catch-Up immunization appts.

Grade 9 students will receive a call from a Public Health Nurse this fall to discuss options to complete vaccines missed at the end of grade 8.

Booked appointments will be offered and scheduled at health department clinics.

COVID19 screening will occur on the day of the appointment. For more information on the school-based vaccines offered, please refer to the website, www.durham.ca/immunizationclinics.

If you have any questions or concerns please call into the Immunization Program at 905-666-6242, or Durham Health Connection Line at 905-668-2020 for assistance.
