May 2021 Newsletter

May 2021

Dear ST Worden families,

I know that you are managing the current situation the best that you can, and we know that these are very difficult and stressful times. Everyone at ST Worden continues to think of students and their families, and we are all wishing you courage and strength. We are sending you positive thoughts; we will get through this. Please know that we are thinking of you every day. I want to give you a message of hope and perseverance and express that together, we will get through this.

I share with you that this week is Education Week, Mental Health Week and Children's Mental Health Week. Our school board has sent out some mental health resources to support our children and their families. You can also visit www.kprschools.ca for more information. Please do not hesitate to reach out to your child's teacher and myself if you have any questions and concerns.

If you are having any technical issues, please call 1 877- 741 4577 or 705-742-9773 ext. 3003. It is advised that the parent/student have with them their username, password, serial number (if school laptop/at the back of the laptop) and the student's board email.

In June, we will be working towards putting together our classes for next year. This process is a very involved one where we collaborate to ensure equitable and balanced classrooms. If you have a request that you would like to share, please send it by email only to myself at sanaa_soussan@kprdsb.ca by the end of this month. **Although there is no guarantee**, we do take your request into consideration.

Kindergarten Registration

We also want to let everyone know that even though schools are physically closed, Kindergarten registration continues! We are working behind the scenes preparing for Kindergarten 2021-22. Families can register online at KPR School Registration. Some printed documents are required to finalize school registration. For more information, please contact our secretary Mrs. Susan Brown at susan.brown@kprdsb.ca or by phone at 905-436-0715. Our Kindergarten web portal www.kprschools.ca/kindergarten includes important resources and strategies to help prepare your little one for school. We look forward to welcoming our new students and families this fall!

Thank you for all of your donations towards our yard rejuvenation project. Unfortunately we haven't reached our desired total to start the work this summer for the outdoor classroom. We are almost there! We will continue our fundraising efforts and we hope to be able to accomplish that soon.

Lastly, ST Worden is on Twitter. Please follow us at @StWorden.

In Partnership,

**Sanaâ Soussan
Principal/Directrice**
